

Industrial Dry Rotary Vane Vacuum Pump

Perfect for applications like Woodworking, Vacuum Pressing, Pick & Place, Vacuum Forming and Other Industries.

Features:

- 100% oil-free operation
- Excellent cooling performance
- Quiet operation
- Graphite vane with long service life
- Vacuum gauge included
- Inlet filter included

Technical Data:

Model	CVF08	CVF10	CVF16	CVF25	CVF40	CVF60	CVF80
Flow Rate (m ³ /h)	6	10	16	25	40	60	80
Vacuum (mbar)	150	150	150	150	150	150	150
Motor Power (kW)	0.30	0.37	0.55	0.75	1.25	2.2	3.0
Power Supply	380V/50Hz	380V/50Hz	380V/50Hz	380V/50Hz	380V/50Hz	380V/50Hz	380V/50Hz
